

Origin

Paradigm Integrated Facility Services Pvt. Ltd. started in year 2006 by a group of professionals from the Property/Facility and Real Estate field is an upcoming organization with good resources to meet the requirements of demanding global standards in infrastructure, processes, and living ambience.

Paradigm is committed to provide customers the **finest quality service** in the most efficient time at a price people can afford. Superior quality is the “Ground Floor” of our organization.

Paradigm is **ISO 9001: 2000 certified organization**. It is also an active member of International Facility Management Association (IFMA)

Our Focus

- **Understanding Client** - Our Primary Commitment
- **Tailor Packages & Offer Specialized Solutions**
- **Optimum deployment** - Competitive rates - Best quality
- **Wide Array of Services** - Professional Approach to training and implementing the requirements
- **In-house Team/Empanelled Vendors**- continuous backup of multiple resources
- **Well Trained staff**, Committed to maintaining quality across all services

Why Paradigm ?

Paradigm Services is a “One-Stop Shop” for all kinds of facility services. Our best efforts are put in to understand our client’s requirements. We are always listening for feedbacks and suggestions from our clients.

Our integrated approach to Services management increases the efficiency in the services delivery, reflecting on cost savings as well as quality. Also, proper budgeting and expenditure reports help in identifying unnecessary expenditure and increase prudent spending.

We believe in preserving and protecting the environment and supporting community where we do business.

With a focus on customer service, forward planning and a desire to exceed expectations, Paradigm Services wants to join your team!
